Re: **United States v. Isaac Briggs, III**
23-MJ-7107 (UA)

Dear Magistrate Judge:

Isaac Briggs, III, through undersigned counsel, respectfully requests an extension of time to complete the conditions of his bond. Specifically, Mr. Briggs requests a two-week extension to complete the condition requiring him to post a \$200,000 secured bond through real property. Currently, that condition is required to be completed by Monday, November 27, 2023. However, undersigned counsel's office is still in the process of acquiring the requisite documents to file a confession of judgment in state court. Moreover, an extension of time is needed due to holiday closures. Accordingly, Mr. Briggs asks that the Court extend the deadline for him to post a \$200,000 secured bond until Monday, December 11, 2023.

Undersigned counsel has conferred with the government about this request. The government has no objection to a two-week extension.
